

From the Edurio 24-25 Survey, our parents and carers told us...

Co-op Academy
North Manchester

We will...

You'd like to see how your feedback has an impact in school.

- Introduce a frequent newsletter from our Principal celebrating academy achievements and events.
- Invite you to attend parent forums with our Principal, starting in the summer term.
- Give you opportunities to provide feedback on academy priorities, initiatives and policies.
- Update you through a variety of social media channels.

You'd like more information about your child's homework.

- Review and share our homework policy.
- Share details of homework expectations for different year groups and subjects.
- Provide information and events which will help you to support your child at home.

You'd like to be able to contact the academy more easily when you need to.

- Review systems and processes to ensure your messages reach the appropriate members of staff.
- Look at providing more calendared opportunities for you to come into the academy to speak to key members of staff.
- Look at more efficient ways for you to be able to contact us.
