As we move towards the Summer term, the upcoming weeks including the Easter revision, will play a vital part in your preparation for your GCSE Exams. It is important that you attend all revision sessions that are relevant to you. This is also an important time for the site team to spend time working in areas of the building to ensure the very best learning spaces for all pupils and teachers. As such parts of the building will not be accessible. Please read the frequently asked questions for more information on this.
